

From Space to Roam to Spaceports Try West Central Oklahoma For Your Future Location

Living The Good Life In Oklahoma

Everyday, more and more businesses experience the wonderful quality of life in West Central Oklahoma. Individuals, families, and businesses all enjoy Oklahoma's friendly people and an abundance of outdoor recreation, water sports, and cultural activities. And the best part of all, you don't have to fight crowds, traffic or high costs. You have more leisure time, less frustration, and better profits. So, if you're considering relocating your business, come sample Oklahoma's thriving cultural environment, great restaurants, hundreds of lakes and rivers, professional and high quality education, and a workforce that'll make you proud!

Innovative Business Incentive Packages

Ranked as one of the "Top 15 Pro-Business State for 2006," Oklahoma is Pro-Active, Pro-Business, and committed to the long-term development of our state. The healthy business climate in West Central Oklahoma, combined with one of the most competitive and aggressive business incentive packages in the country, brings new business in and helps existing businesses expand and grow profitably. If you're looking for flexibility, a cooperative partner that will help you get the best incentive package for your business, and real bottom-line profits, you'll find it in West Central Oklahoma's business incentives, created to meet your needs.

Powering The Needs Of A New Generation

Times are changing. New ideas. New processes. New technology. There's a new generation that needs a powerful partner with an experienced economic development team. Kiwash Electric Cooperative, Inc. can provide you with multiple site locations in several counties in Western Oklahoma. This region of Oklahoma offers state and local incentives, site location assistance, enterprise zones, low crime rates, high speed internet services, the convenience of Interstate 40 and rail access, and much more. We don't just generate power. We generate ideas and share them.
